## ACKNOWLEDGMENT OF ARBITRATION

The Board and the Association understand this Agreement contains an agreement to arbitrate. After signing this agreement, the parties understand that they will not be able to bring a lawsuit concerning any dispute that may arise which is covered by the arbitration agreement, unless it involves a question of constitutional or civil rights. Instead, the parties agree to submit any such dispute to an impartial arbitrator.

**ARTICLE I**  
**RECOGNITION**

- 1.1 The River Valley Technical Center Board of School Directors (hereafter the "Board") recognizes the Springfield Teachers' Association (hereafter the "Association") as the exclusive collective bargaining representative for the District's teachers as teachers are defined in 16 V.S.A. § 1981 (5) and § 1991 (b). The Association shall represent the teachers on matters of salary, related economic conditions of employment, terms and conditions of their professional services, procedures for processing complaints of their professional services, procedures for processing complaints and grievances relating to employment, and any mutually agreed upon matters not in conflict with the statutes and laws of the State of Vermont. Excluded from the bargaining unit is any position falling under the definition of administrator as it appears in 16 V.S.A. §1981 (1). Also excluded from the bargaining unit are substitute teachers, long-term substitute teachers who are under contract with the District for eighty-nine (89) school days or less during a school year, Virtual Learning Cooperative teachers who work outside the normal school day, and consultants who are hired pursuant to Article II § 2.7.
- 1.2 Unless otherwise indicated, the term "teacher" when used hereinafter in this Agreement shall refer to the definition of such term as set forth in 16 V.S.A. § 1981 (5) and 1991 (b).
- 1.3 The term Director or Superintendent when used in this Agreement shall refer to the Director/Superintendent of the River Valley Technical Center. The term District shall mean the River Valley Technical Center School District.
- 1.4 The Board agrees not to negotiate with any teachers' organization other than the Association for the duration of this Agreement.

**ARTICLE II**  
**MANAGEMENT RIGHTS**

- 2.1 The management of the Board's operation and its buildings and the direction of its staff members shall be solely within the responsibility and discretion of the Board. All management rights and responsibilities which are not expressly surrendered or curtailed by the provisions of this contract shall be reserved to the Board.
- 2.2 The Board may take any action not in violation of any applicable provision of this contract in exercise of its management rights and responsibilities.
- 2.3 The Board reserves the right to apply, establish, and change regulations and past practices provided it does not do so in an arbitrary or capricious manner.
- 2.4 The Director and the President of the Association shall meet at least twice each year for the purpose of discussing matters of mutual concern that may arise during the life of the Agreement. Such meetings shall not be used to negotiate or renegotiate mandatory

subjects of collective bargaining, nor shall such discussion in any way limit the right of the Board to carry out its Management Rights under this Agreement.

- 2.5 The Board previously held and continues to hold exclusive authority which shall not be subject to the grievance procedure or arbitration to determine: the curriculum and activities it will engage in; the services it will perform; the number and location of buildings and methods and procedures of instruction; quality standards; the supervision of instruction; the size and composition of the staff; the establishment of new positions or changes in the content of existing positions; whether to purchase or otherwise acquire materials and equipment; perform or otherwise acquire services; and the sale, use, lease, discontinuance or disposal of any part of its buildings, equipment, services and materials.
- 2.6 The District has the right to offer instructional services to students through "distance learning," including programs of the Virtual Learning Cooperative, interactive television, and interactive technology when such programs are not available in the District, not economically feasible to offer as a part of the regular curriculum, or are part of an individualized or personal educational plan. Distance learning programs may be used to provide learning opportunities for students that increase the availability and accessibility to course work as long as they do not have a significant impact on currently employed teachers.
- 2.7 The Board may contract with consultants to provide work normally done by members of the bargaining unit when no licensed teacher is currently on the recall list and no such licensed teacher is found after a "good faith" search. Prior to the employment of a consultant to do work usually done by a member of the bargaining unit, the Administration shall notify the Association, in writing, at least ten (10) calendar days prior to the contract offer to said consultant. It is agreed by the Board and the Association that the use of consultants to provide bargaining unit services is a necessary and temporary measure to provide services to students while the Board continues to seek to employ a licensed person. The District's contract with said consultant may continue up to and including the end of that school year. The Board agrees that the use of contracted consultants shall not replace or reduce a member of the bargaining unit. If bargaining unit work is required outside the normal workday or work year, it will be offered to bargaining unit members prior to hiring a contracted consultant.
- 2.8 The University of Vermont, Vermont State Colleges, Community College of Vermont, and other accredited institutions may offer post-secondary school courses in the District.

**ARTICLE III**  
**NO STRIKE**

- 3.1 During the term of Agreement, neither the Association nor any employees shall engage in, or in any way authorize, encourage, instigate, aid or sanction any strike, work stoppage, slowdown, walk-out, sit-down, concerted refusal to work overtime or picketing if such conduct or action specifically relates to or affects the River Valley Technical Center School District.
- 3.2 Violation of this section shall be considered just cause for disciplinary action subject to Article VI, Section 6.4.
- 3.3 The Board for its part agrees that it will not engage in or permit any lockout of teachers.

**ARTICLE IV**  
**NEGOTIATION PROCEDURES**

- 4.1 On or before-the-October 15<sup>th</sup> prior to the termination of this Agreement, at the request of either party, the designated representatives of the Board and the Association shall meet to negotiate a successor agreement. Prior to the start of the negotiations, the Chair of the Association's team and the Superintendent/Director will meet to discuss ground rules and coordinate the first meeting of the parties. The first meeting may be delayed by mutual agreement of the parties.
- 4.2 The Board and the Association shall make available to each other for inspection at reasonable times and places records, data and other information pertinent to the negotiations.
- 4.3 Negotiating meetings shall be held at a time and place mutually agreed by the parties.
- 4.4 The parties agree that from the opening of negotiations until either final agreement is reached or a fact-finder's report is made public, no statements regarding the substance of the negotiations shall be made to the public or the media, except that any information concerning the proceedings and/or agreements made at a negotiating meeting will be released to the news media only as may be mutually agreed upon by the parties hereto.
- 4.5 Ground rules will be developed by the negotiating teams. Those ground rules will address confidentiality, exchange of proposals, and public statements, as well as any other items as mutually agreed.
- 4.6 When consensus is reached on a successor agreement, it shall be reduced to writing as a memorandum of understanding between the parties and submitted to the Board and the Association for ratification.

**ARTICLE V**  
**DISPUTE PROCEDURES**

- 5.1 If necessary, mediation and fact-finding will take place in accordance to with VSA Title 16, § 2006 and 2007.
- 5.2 Three (3) representatives of the Association's negotiating team may be released from duty at reasonable times to attend any official mediation or factfinding hearing conducted as part of the Association-Board negotiations without loss of salary and/or other benefits.
- 5.3 In the event of mediation or fact-finding, the Association and the Board shall share the cost of the mediator or fact finder equally.

**ARTICLE VI**  
**FAIR PRACTICES PROBATION DISCIPLINE & DISCHARGE**

- 6.1 The Association agrees to maintain its eligibility to represent all teachers by continuing to admit persons to membership without unlawful discrimination on the basis of race, creed, color, national origin, marital status, sex or sexual orientation, gender identity, age, or disability, and to represent equally all employees without regard to membership or participation in, or association with, the activities of any employee organization.
- 6.2 The Board agrees to continue its policy of not unlawfully discriminating against any employee on the basis of race, creed, color, national origin, marital status, sex or sexual orientation, gender identity, age, disability, or membership or participation in, or association with, the activities of any employee organization.
- 6.3 A teacher shall be on probation during his/her first and second school years of employment in the District provided the teacher receives a written evaluation each year that is based on at least two formal observations. If the District does not complete the observations as required, the teacher shall be deemed not on probation and allowed an additional probationary year and he/she shall be entitled to all the reemployment rights specified in the Agreement. The Non-Renewal of a probationary teacher's contract shall not be subject to the grievance and arbitration procedures of this Agreement. If the Association provides a mentor for a new teacher to aid and assist that teacher with the adjustment to teaching in the District, the District agrees to make a reasonable amount of release-time available for the mentor to work with the new teacher. The release time for the mentor shall generally be at a time that is agreed upon by the Director, mentor, and mentee and shall continue for a minimum of one year as required by state statute.
- 6.4 Except as set forth in section 6.3 above, no teacher shall be disciplined, suspended, dismissed, or have his/her contract non-renewed except for just and sufficient

cause. Evaluation, placement on a particular evaluation track, placement of a teacher on a performance improvement plan or a performance related probationary contract, unless the improvement plan or probationary contract includes the withholding of a salary increase shall not constitute discipline under this section. If a teacher is subsequently non-renewed, the entire evaluation procedure leading to non-renewal is subject to review in arbitration.

- 6.5 No claim of discrimination arising out of §6.1 and/or §6.2 shall be subject to grievance and arbitration under Article XI unless the teacher and the Association shall have effectively waived any rights to pursue such claim in any other forum.
- 6.6 Nothing in this Agreement shall be interpreted as prohibiting a lawful agreement between the District, an employee, and the Association from submitting issues to arbitration that are not deemed arbitrable under this Agreement.

## **ARTICLE VII**

### **INDIVIDUAL TEACHERS CONTRACT**

- 7.1 The terms and conditions of employment of all teachers employed by the Board shall be set forth in a written contract. The individual contract shall not contravene nor be inconsistent with any provisions of this Agreement or the laws of the State of Vermont.

A teacher who has a non-renewable contract shall be fully informed of his/her contract status, and he/she shall be entitled to all terms and conditions of the Collective Bargaining Agreement except the right to have his/her individual contract renewed or to be laid-off and recalled under the provisions of this Agreement. The time worked under a non-renewable contract shall count toward the teacher's probationary period as a full year and toward seniority on a pro-rated basis if the District subsequently hires him/her under a regular contract without a break in service.
- 7.3 Teachers who are on continuing contracts and who are in their first year of employment in the District shall be notified on or before April 15, and all other teachers who are on continuing contracts shall be notified on or before April 15 if the Board does not intend to renew their contract for any reason. forth in Article VI, section 6.4. The actions of the Board in not renewing such supplemental contracts shall not be arbitrary or capricious. The Board shall provide a statement of reasons within sixty (60) days after notification of non-renewal of such supplemental contracts provided that said supplemental contractual duties have been completed by April I. Notification of the intention not to renew supplemental contracts for activities that are to be completed later than April I shall be provided fifteen (15) days after said activity has been completed or before the end of the school year, whichever date comes first.

- 7.6 Experience Steps on the Salary Schedule shall not be granted if a successor agreement has not been ratified by the Board and the Association. Upon ratification, experience steps shall be implemented retroactively unless the terms of the Agreement specify otherwise. Column changes for educational attainment shall be implemented pursuant to the terms of the Agreement regardless of the status of a successor agreement

- 7.9 Except as specified in Section 6.3 and 7.2, non-renewal of a teacher's contract shall be subject to the grievance procedures as set forth in this Agreement as hereinafter provided, and shall be initiated at the Superintendent's level.

Five (5) professional development days shall be jointly planned by the Administration and the Committee.

- 8.2 The District will continue the present working hours in the school system during the life of the Agreement, unless an emergency or State law or regulation requires the changing of the school hours. At the Technical Center, programs may require teaching at times other than the normal school day or school year. In such an event, additional classes, or alternative workday or work year assignments, shall be offered to teachers who volunteer in order of their seniority beginning with the most senior licensed teacher. All observations shall be conducted openly and only by appropriate school district personnel designated by the Director. Formal classroom observations shall be conducted with the full knowledge of the teacher and with at least forty-eight (48) hours prior notice.

Teachers who are new to the District shall be exempt from this notification requirement for changes to take place during their first year of employment.

- 11.3 Teachers may seek advancement on the salary schedule through the Alternative Pathway Program. The Director may seek guidance or advisement from industry, governmental, and trade representatives to verify that the credential or industry work experience is bonafide and valuable within the career field. Initial placement on the salary schedule, as well as teacher movement horizontally or vertically on the salary schedule shall be determined at the sole discretion of the Director and the determination shall not be grievable.

Horizontal movement to and beyond the Bachelors and Master's Degree columns via the "Alternative Pathway Program" shall be available to current teachers and newly hired teachers. Teachers with credentialing who meet the general provisions of this agreement shall move horizontally on the Salary Schedule without limits.

Vertical movement is available via the "Alternative Pathway Program" for work in a given industry or career field outside the teacher contract hours that will have a positive impact on the educational process with outcomes for students. Vertical movement will be granted at the same rate as is currently granted.

Such experience may include, but is not limited to, industry-recognized training. For every two (2) hours of training the District shall award one (1) hour of credit-worthy time. For the purpose of this Section, teachers must accumulate fifteen (15) hours of credit-worthy time

to earn one (1) salary credit.

- 11.7 Placement of teachers on the schedule shall be based upon the number of credits specified in the teacher's previous individual contract with the District and any credits approved by the Director and earned since that contract was issued. The District shall have the right in any year to place new teachers with no experience on Step 2 of the appropriate salary schedule. Whether such a teacher will be placed on Step 1 or Step 2 shall be determined in the sole discretion of the Director and the determination shall not be grievable.
- 11.8 For the term of this Agreement, additional compensation for extra-curricular activities and other activities shall be set forth in Appendix B of the Agreement that is attached hereto and made a part hereof. Step increments shall be given for approved experience in the extra-curricular activity and such increment shall be based on the appropriate step of the BA/BS column of Appendix A.
- 11.9 The percentage for determining coaches' salaries shall be applied to the BA/BS column for the schedules in effect September 1 of a given year, as provided in Appendix B.
- 11.10 Nothing in this Agreement shall preclude the Board from creating new extracurricular positions during the term of the Agreement provided the Association is notified of the new position and offered the right to negotiate the appropriate placement on the coaching and extracurricular salary schedule. [Appendix B].

At the end of a year any accumulated days in excess of 120 will be dropped from the accumulation and the teacher will be compensated for those excess days at the rate of \$30 per day.

Teachers with perfect attendance for the school year will be paid a \$100 bonus. Perfect attendance is defined as not having used any absence days during that school year.

Upon retirement or when subject to a reduction in force, the teacher will be compensated for all accumulated absence days at the rate of \$30.00 per day.

In all cases above, such compensation may be paid as part of the first paycheck received in the month of August.

- 12.7 In the event of an illness or physical disability for which a teacher is unable to work and is paid benefits under the Worker's Compensation Act, the Board shall pay to such teacher the difference between his/her salary and the benefits received under the Worker's Compensation Act up to the limits of the teacher's accumulated absence days for the duration of such absence. In such cases, the teacher shall have only absence days deducted based upon the District's prorated cost.
- 12.8 Upon prior approval of the Director, a teacher may receive full pay due to absence to attend professional meetings or conventions, to make professional visits, to represent the District, or to attend an approved summer school which begins after the students are out of school or which ends no later than the day before the first teaching day of school.
- 12.9 Such absence, as set forth in the preceding paragraph shall not be deducted from the teacher's accumulated absence days.
- 12.10 The District will honor all rights provided under State and Federal law for any teacher who enlists or is conscripted into the Armed Forces.
- 12.11 For short-term training-related activities, paid absence days may be used with the prior approval of the Director.
- 12.12 A teacher shall receive full pay for each day absent due to jury duty and such leave shall not be deducted from the teacher's accumulated absence days. The teacher shall return to the District any fee or money received for such service except for travel expense or any other out of pocket expense.
- 12.13 Teachers shall be granted leaves of absence without pay not exceeding two (2) years with one extension not exceeding two (2) years guaranteed to serve in Vermont-NBA and National Education Associations (NEA).
- 12.14 A leave of absence not otherwise provided may be granted by the Board at its discretion and with such terms and conditions as it may determine.
- 12.15 Leaves granted under sections 12.10, and 12.13 shall, whenever possible, commence only at the beginning of a school year. All requests for leave or leave extensions under 12.10 (where service is voluntary), and 12.13 shall be made, in writing, on or before May 1st of the year prior to the first academic year for which leave is requested. Requests received

after May 1<sup>st</sup> will be considered only in unusual circumstances as determined by the Board.

- 12.16 Teachers returning to work from an unpaid leave of absence shall be entitled to restoration of those benefits in force at the time the leave was granted provided such benefits are still in force at the time of return.
- 12.17 Teachers returning to work from a paid leave of absence including sabbatical leave shall be entitled to benefits as if such teacher had worked continuously in the District.
- 12.18 When allowed by law, regulation, and by the carrier and/or the Teachers' Retirement System, a teacher on a non-paid leave of absence shall have the option to remain an active participant in the State Teachers Retirement System and all other fringe benefit programs provided by the School District by paying to the District the total amount required for said payments. It is understood that the District will accrue no liability for said payments. Prior to starting said non-paid leave the teacher will assume responsibility for timely payments for each benefit.
- 12.19 For the purposes of this Article, an employee who is on a leave that is covered solely by workers compensation is considered to be on an unpaid leave of absence.
- 12.20 Leaves under the provisions of this Agreement which are also eligible leaves under a state or federal Family and Medical Leave Act (FMLA) shall run concurrently as both FMLA and contractual leave, and the more liberal of the provisions shall apply.

### **ARTICLE XIII** **SABBATICAL**

- 13.1 Upon recommendation of the Director, a teacher may be granted sabbatical leave by the Board for approved programs or work toward the improvement of his/her professional qualifications that may include travel and/or study. Sabbatical leaves, when granted, shall be for the benefit of the individual and the District.
- 13.2 Based on the salary the teacher would have received in his/her regular position during the sabbatical leave, the teacher may be granted a sabbatical leave at one-half (1/2) pay for a full-year or three quarters (¾) pay for a half-year provided, when added to any other stipend or program grant, the total salary shall not exceed the individual's full salary for that year.
- 13.3 Hospitalization and insurance benefits shall be provided as though the teacher were teaching in the District. The teacher shall also be eligible for tuition reimbursement during the sabbatical leave in accordance with Article XVI.
- 13.4 Applicants for a sabbatical leave must have completed seven (7) years of service in the District prior to the leave, and a teacher must have a minimum of seven (7) years of service between sabbatical leaves.

- 13.5 Applications shall be made, in writing, by November 1 of the school year prior to the requested leave. Applications shall be delivered to the Director and reviewed by an ad hoc committee consisting of the Director, a Board member, and a teacher appointed by the Association. The committee shall make its recommendations to the Board, and the Board shall make its decision in regard to the applications on or before December 15. This section shall not be construed to guarantee that a sabbatical leave will be granted by the Board.

In the event of a full year sabbatical, the teacher shall be advanced vertically on the salary schedule as though he/she had been a regular teacher in the District.
- 13.7 Teachers granted a sabbatical leave shall agree to return to the District for two (2) years immediately following a full year sabbatical and one (1) year following a half year leave. This agreement shall be in the form of a legal loan covering salary paid during the leave period with the provision for repayment of that portion corresponding to any proportion of the post-leave requirement not served. This requirement shall be waived by the Board under special circumstances or in the event of serious illness or death.

The Board percentage contribution will be calculated from the total out-of-pocket exposure based on the VEHI Gold CDHP plan. In this event, one-half of the school year will count as either: the duration the teacher is under the VEHI VHP plan (through 12/31/17), or the duration the teacher is under the new VEHI health plans (1/1/18 - 6/30/18). If a teacher selects the "in Lieu of" program for the full school year proof of health coverage from another source, for both the first and second half of the insurance year, must be provided.

While collecting disability, teachers may not continue to draw down their accumulated absence days. The Board will pay eighty (80%) percent of the premium each year provided the increase cost to the Board for any one year does not exceed ten (10%) percent. Each teacher is required to participate in this coverage and pay his/her portion of the premium. Teachers who are employed for less than one half(1/2) time may be provided coverage within the discretion of the carrier.

15.1 **PURPOSE**

It is the policy of the Board and the Association that all grievances be resolved informally or at the earliest possible stage of this grievance procedure. However, both parties recognize that the procedure must be available without any fear of discrimination because of its use. Informal settlement at any stage shall bind the immediate parties to the settlement, but it shall not be a precedent in a later grievance proceeding.

15.2 **DEFINITIONS**

- a) A "Grievance" is any alleged violation of this agreement or any dispute with respect to its meaning or application, or a violation of Association or teacher rights to fair treatment.
- b) A "Teacher" is any person in the unit covered by this Agreement.

- b) Each grievance shall be submitted to the Director, in writing, on a form approved by the Board and the Association, and it shall identify the aggrieved party, the provision(s) of the Agreement involved in the grievance, the time and the place where the alleged events or conditions occurred, and a general statement of the redress sought by the aggrieved party.
- c) A grievance shall be deemed waived unless it is submitted within fifteen (15) days after its occurrence.
- d)

## 15.4 GRIEVANCEPROCEDURE

### Step 1

- a) The Administrator receiving the grievance shall respond in writing to each grievance received. If any aggrieved party is not satisfied with the response of the administrator or if no response is received within one calendar week after the submission of a grievance, such aggrieved party may submit a copy of the grievance to the Director.

The decision of the arbitrator shall be binding.

- h) The cost for the services of the arbitrator will be borne equally by the Board and the Association.

Any cost for the use of materials or for the repair or replacement as the result of use of the equipment will be borne by the Association.
- 16.2 Duly authorized representatives of the Association shall be permitted to transact official Association business on school property at all reasonable times provided that this shall not interfere during school hours with the teaching of pupils or assigned duties, or interrupt normal school operations.
- 16.3 The Association shall have the privilege to use the teachers' lounge for the posting of notices of its activities and matters of Association concern. The Association may use the teachers' mailboxes for communications to teachers,
- 16.4 Deductions may be made upon proper authorization to cover scheduled payment to the Windsor County Credit Union, and to cover premiums for disability income protection plans provided by the Horace Mann Insurance Company.
- 16.5 The Board agrees to deduct from the pay of each teacher who is eligible according to IRS regulations and who voluntarily signs and maintains in force a written authorization, on a form provided by the District to make deductions to cover the cost of his/her participation in a "tax sheltered" annuity plan
- 16.6 The Board agrees that the amount of Association regular membership dues may be deducted from member teachers upon presentation of voluntary dues deduction authorization forms signed by the individual teacher which shall continue in effect from year to year unless revoked in writing between June 1st

## **ARTICLE XVII**

### **VACANCIES AND TRANSFERS**

- 17.1 When a vacancy in any professional or extra-curricular position is to be filled within the District, a written notice of the vacancy shall be posted in each school building. The notice shall include a job description, required qualifications, and salary range. Notices of vacancies that occur between July 1 and the commencement of the next school year shall also be mailed to the President of the Association within five (5) days of the occurrence of the vacancy. For the purposes of this Article, a vacancy is defined as a new position, or a position made vacant by the transfer, termination, resignation, retirement, or death of the person who previously held the position. A leave of absence does not create a vacancy for the purposes of this Article.
- 17.2 The Board agrees not to fill a vacant position until at least ten (10) calendar days after the posting, or, if required, the mailing to the Association President. During the period from July 1 through the beginning of the school year, the posting period shall be reduced to five (5) days to expedite the filling of vacant positions for the new school year. Teachers who are interested in transferring to a position that may become vacant during the summer will be considered if they give written notice to the Director of their interest. Such notice should include their summer address, phone number, email address, a person to contact in their absence, and

their areas of licensure.

- 17.3 Teachers employed by the District with equal or superior qualifications, as determined by the Director, shall be given preference over applicants from outside the District.

## **ARTICLE XVIII**

### **TUITION REIMBURSEMENT**

- 18.1 The Board agrees to underwrite fully the tuition charges for previously approved courses and other approved activities undertaken by any teacher when a grade of B or better is earned, or when ungraded work is accepted for graduate credit, or when "Pass" or "Satisfactory" is received when the course is offered on a pass-fail basis only. Reimbursement of tuition charges for previously approved courses for which less than a B is received shall be one-half (1/2) of the charges. However, no reimbursement will be made for less than a C grade, and no reimbursement will be made for teachers on a one (1) year, non-renewable contract. Reimbursement for approved courses will be allocated to the fiscal year in which the course ends and grades are received. Notification of grades received shall be made within 30 days of expected course completion date. The teacher will notify administration if course completion date changes.

- 18.2 Unless otherwise agreed between the Director and the teacher, the Board shall reimburse teachers a total of up to the equivalent cost of 3 graduate credits at the current UVM winter rate to be used for professional development. Teachers who are enrolled in a course related to their teaching assignment and are in a recognized approved degree program (Associates, Bachelors, Graduate Level Degree Program, or Apprenticeship) shall be eligible to receive up to the equivalent cost of six (6) UVM graduate credits at the winter rate. This money shall be used for courses, workshops, conferences, and travel reimbursement related to workshops and conferences as follows:

- Up to the full amount for course work
- Up to \$800 for workshops and conferences
- Up to 50% of the workshop rate for travel for workshops and conferences

The cost of workshop tuition and administrative fees, if any, shall be deducted from the teacher's tuition reimbursement amount. Except in special circumstances approved by the administration, a teacher shall not be absent from school for more than two (2) days per year to participate in workshops. Teachers shall be responsible for the timely submission of plans for the classes to be missed while attending a workshop.

- 18.3 With the Director's approval, teachers who have exhausted their personal tuition entitlement may apply to the Board for additional funds for additional course tuition payments. At its discretion, the Board may approve the amount requested or a lesser amount. Under this section, the Board is not required to expend more than the budgeted tuition reimbursement line item.

18.4 Payments will generally be on a reimbursement basis, but if it is deemed by the Business Office that pre- payments of tuition will have minimal impact on the District, pre-payment of tuition may be authorized. A teacher may apply for an interest free loan to cover the cost of tuition for previously approved courses. If the institution accepts direct payment for classes, then the teacher is ineligible for the prepayment loan. Except as specified, teachers shall be required to reimburse the District moneys paid under the provisions of sections 18.1 - 18.3 if the teacher does not return to the District for a one-year period. Within one year of the loan, the teacher must furnish a grade report or repay the loan. If the teacher leaves the district prior to fulfilling the requirements of Section 18.1 then the amount of the tuition payment will be deducted from the teacher's final check.

18.5 For teachers notified of layoff in accordance with the provisions of Article XX there shall be no obligation to reimburse the District for moneys paid under this Article unless the teacher is recalled by the District on or before June 30 following the notice of layoff and the teacher refuses recall.

## **ARTICLE XIX**

### **RETIREMENT**

19.1 Any teacher who retires from the District and who has at least twenty (20) years of seniority in the District shall be eligible for a fourteen thousand five hundred (\$14,500) dollar retirement stipend. The stipend shall be paid in three equal annual installments available after July 1 of the year of retirement and the following two years Annual cash payments shall be made into the teacher's 403(b) supplemental retirement account, or a similar qualified retirement account.

The teacher must make application on or before November 1 of the calendar year of retirement. The Board shall have the power to waive the application date requirement. For the purposes of this section, retirement is defined as collecting a teacher's retirement pension.

In addition, during the course of this Agreement, the Board may offer an early retirement incentive plan. Teachers who have already notified the District of their intent to retire shall be eligible for the early retirement incentive plan. The District may reduce the amount of the early retirement incentive plan by the retirement stipend.

19.2 A teacher with 15 or more years of seniority in the district may be granted emeritus status by the Board on recommendation of the Director. Emeritus status requires that:

1. The teacher retires (i.e. collects a teachers retirement pension) officially at the end of the school year prior to the start of emeritus status.
2. The teacher may be emeritus for no more than three years.
3. The district will pay an emeritus teacher the maximum a teacher is allowed to earn

by state statute while collecting a teacher's retirement pension.

4. The work year of the emeritus teacher will be two days per week or equivalent.
5. The teacher would work in an assignment approved by the Board upon recommendation by the Director after discussions with the teacher.
6. Health insurance would continue with the district paying the same portion as it would with other part-time employees.
7. A teacher selected for emeritus status will not be eligible for the early retirement stipend.

**ARTICLE XX**

Effective September 1, 1994, seniority for part-time teachers will be credited on a pro-rata basis. The time spent on sabbatical leave will be part of continuous service. The time spent on (personal) unpaid leave will be subtracted from a teacher's total service, but it will not be considered an interruption of service. In the event of equal seniority, the greatest seniority shall be determined as follows:

- a) Prior years and months of service in the Springfield School District and River Valley Technical Center School District.
- b) The date the individual contract was signed by the teacher commencing his/her most recent period of continuous employment.
- c) Prior years and months of service in public school teaching.

20.3 A teacher whose employment is interrupted as a result of a layoff shall be considered as being on layoff awaiting recall and/or reappointment, and not a teacher whose employment was terminated. Teachers who are laid off and awaiting recall shall be recalled, in reverse order of layoff, as vacancies occur in their former seniority classification as listed in section 20. I. Teachers on layoff and awaiting recall may also be recalled as vacancies occur in positions outside their original seniority classification provided they are licensed and qualified, in the judgment of the Director, to fill the vacant position. It is the responsibility of the teacher awaiting recall to inform the Director of his/her areas of licensure outside of his/her original seniority classification. As long as any teacher is on layoff and awaiting recall, no hiring will be permitted in any classification except where no teacher on layoff is licensed and qualified, in the judgment of the Director, to fill the vacant position or all licensed and qualified teachers awaiting recall decline the offer to fill the vacancy.

20.4 Any teacher eligible for recall and licensed for the vacant position shall be sent written notice by certified mail twenty (20) calendar days in advance of any deadline for filling a position. A teacher who has received a notice shall have ten (10) calendar days to accept or reject the position. A teacher who fails to respond within twenty (20) calendar days after the notice is mailed, or ten (10) calendar days after the notice was received, shall be deemed to have waived recall to the position. A copy of said notice shall be furnished to the Association. (To facilitate hiring of teachers for a new school year, the above notice and response dates shall be reduced to ten (10) and five (5) calendar days, respectively, after June 30 of any year.) Teachers on layoff and awaiting recall shall, if away during the summer, give notice to the administration of their summer address, phone number, email address, and a person to contact in their absence.

- 20.5 Any teacher on layoff shall retain recall rights for the number of years employed in the District prior to the layoff; not to exceed three (3) years. If a teacher declines recall to the position he/she held at the time of layoff, he/she will be deemed to have terminated his/her employment. A teacher who declines recall to a different position within the District may refuse recall and continue on the recall list for the stated period.
- 20.6 The Director shall, within thirty (30) days after the beginning of the school year, provide an up-to-date revised seniority list to the Association. Any dispute over a teacher's seniority is subject to the grievance procedure as set forth in Article XV and shall be initiated at Step 3.
- 20.7 Teachers on layoff shall receive preferential treatment for "substitute" positions upon notifying the Director. When employed as a "substitute" the teacher shall receive the per diem rate of pay applicable to a substitute.
- 20.8 The teacher shall be responsible for informing the District of his/her address when he/she leaves the District.
- 20.9 A teacher whose position is reduced in time shall be considered as having equal rights as a RIF position, including, but not limited to, recall rights.

- 21.5 All teachers on annual teaching contracts will be eligible to apply for summer or extended year teaching positions. Hiring preference will be given to staff members who

However, if a teacher designs or develops a special summer program, that teacher will have first preference for the position. If no qualified candidate is available in the judgment of the Director, candidates from outside the system will be considered. The Director shall explain the reasons in writing why an internal candidate was not selected for such a position.

21.5 If summer or extended year teaching is required by a teacher’s regular annual contract, that teacher will be paid based on his/her per diem rate as established by his/her current contract with the District. Teaching or other educational work that is not a part of the teacher's annual contract shall be voluntary.
